

## 24/7 NurseLine Always here for you

Health concerns can happen when you least expect them. You might be on vacation or even on a business trip. Or your child may have a fever in the middle of the night. But there's somewhere you can turn for help any time of the day or night.

Call the **24/7 NurseLine** to talk with a registered nurse about your health concern. Whether it's a question about allergies, fever, types of preventive care or any other topic, nurses are always there to provide support and peace of mind. And, if you want, a nurse will call you later to see how you're doing.

Our nurses can help you choose the right place for care if your doctor isn't available and you aren't sure what to do. Do you need to head straight to the emergency room? Is urgent care best? Or do you need to see your doctor? Making the right call can save you time and money – and give you access to the best possible care.

Do you speak Spanish or another language other than English? We have Spanish-speaking nurses and translators on call. TTY/TDD services are available, too.

If you'd prefer not to talk about your health concern over the phone, the AudioHealth Library might be for you. These helpful prerecorded messages cover more than 300 health topics in English and Spanish. Just call the 24/7 NurseLine number and choose the AudioHealth Library option.
