

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-424-3405 or visit [www.ncscbf.com](http://www.ncscbf.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/health-care-law-protections/summary-of-benefits-and-coverage/> or call 1-800-424-3405 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	In-Network Provider: <b>\$250</b> Individual / <b>\$750</b> Family; Out-of-Network Provider: <b>\$800</b> Individual / <b>\$2,400</b> Family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on this <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes: LiveHealth Online, <u>preventive care</u> , hospice care, home health care, and skilled nursing facility care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copay</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. <b>\$50</b> every 2 calendar years for <b>Delta Dental</b> Dental Care Benefits. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	Medical: In-Network Provider: <b>\$3,000</b> Individual / <b>\$6,000</b> Family; Out-of-Network Provider: <b>\$6,000</b> Individual / <b>\$12,000</b> Family. Prescription Drugs: <b>\$2,000</b> Individual / <b>\$4,000</b> Family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Precertification penalties; certain <u>specialty medications</u> , <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. For a list of <u>network providers</u> , visit: <a href="http://www.anthem.com">www.anthem.com</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
